### Bear Decides To Go South

Bear Archery Co., Crawford County's largest employer will be moving to Florida next year.

Robert Kelly, executive vice-president, and chief operating officer, announced Monday morning the decision to move the plant to Gainesville, Florida, after considering two other cities in Florida.

Kelly said, "following 12 months of study, the company has decided to move the facility, which manufactures archery equipment and related accessories, to Gainesville."

"Building construction will commence as soon as possible, with the actual physical move scheduled to start September 1, 1978, and be completed over a month period," Kelly said.

The firm employed over 700 at its peak production

years, with about 350 workers early last year when labor troubles forced cutbacks in production.

In April of 1976, production workers went on strike after management refused to bargain with the United Auto Workers. The company contended the vote by the workers to join the union was not conducted legally.

The Sixth Circuit Court of Appeals overruled the National Labor Relations Board's 2 to 1 decision in favor of the union, and upheld the company's position taken throughout the entire controversy.

The company has been located here for 30 years, and just this year became a part of the Walter Kidde & Company, Inc., following Kidde's purchase of Victor Comptometer Corp.

### Viking Cagers Named

Season Opener  
November 29

by Joe Schrader

Following several weeks of strenuous pre-season cage workouts, Head Coach Fred Wolcott today announced the rosters for all Grayling High School Viking cage squads for the upcoming 1977-78 season. The Varsity and JV teams will open the season on November 29th at home hosting a Michigan Junior Shores conference foe, the Cheboygan Chiefs. The contest will kick off a regular season, 16-game schedule.

Head Coach Fred Wolcott, now in his third year as Captain of the Vike ship, has picked a 12-member squad to go into action for the Varsity squad, including five returning lettermen. Returnees include seniors Tom Karsner and Randy McClain along with Juniors Geoff Stancil, Jeff Parkinson and Jim Bitner. Others selected to represent the Varsity Vikes this season include Dean Smith, a Senior, along with Tim Krey, Spencer Olsen, Dan Niederer, Kevin Wertnerberger and Mark McEvers, all Juniors plus Rocky Tobin, the only Sophomore on the squad.

Viking JV mentor, Tom Mills, has named the following players to his 16-man JV squad: Todd Dinnick, Mark Kibba, Jim Kitch, Ken Helsel, Jeff Schrader, Mark Whaley, Mike Chrisman, Rusty Shepard, Bill Lucksted, Gregg Stancil, Jerry Lucksted, Rich Calkins, Mike Walsh, Perry D'Amour, George Bindschadel and Trent Bigler. The JV team will also kick off the local cage season November 29th, in a contest preceding the Varsity encounter with game time set for 6:30 p.m.

The Viking Freshman squad, under the tutelage of Warren "Butch" Hayes, has also been named and will include John Juntilla, Bill Roach, Don Forbes, Brett Stockton, Mike Bendig, Dave Moody, Scott Hale, Scott Hamlin, Todd Golinick, Scott Dunckley, Jay Schrader, Harold Hatfield, Scott Latimer, Steve Johnson, Russell Clark and Kevin LaMotte. The frosh squad will begin its season on November 28th, taking on the Cheboygan Chiefs in an away contest.

Prefacing the Vike Varsity squad season, Coach Wolcott had the following remarks: "We have a small but quick team," he said, "we should have a good shooting squad and now we're working hard on our defensive and rebounding game. Basically, we'll employ the same type of game plan as last year, a strategy where our quickness and aggressiveness makes up for our lack of height."

The Middle School cagers will be starting workouts in the next few days and a continuing report on Grayling cage activities will appear regularly in the Avalanche.

### F.O.E. Bazaar

There will be an F.O.E. Bazaar held on December 3rd at 202 & 204 Huron from 3:00 p.m. until 7:00 p.m. Featured will be a Country Store Booth, Fancy Work Booth, Christmas Booth, White Elephant Booth and Bake Sale.

### Fiery Crash Fatal to Mio Woman - 4 Others Injured

by Joe Schrader

A fiery 2-car crash on M-72 just east of Grayling claimed the life of a Mio woman and seriously injured four others last Thursday night at about 9:50 p.m. Killed was Mrs. Kathy Belcher, 21, of Mio, when a car in which she was riding apparently swerved to avoid a deer and collided head-on with an auto driven by Joseph Priesskorn, 21, of Grayling.

Driver of the car in which Mrs. Belcher was a passenger was John Belcher, 18, of Grayling, who was also injured in the crash. He was treated at Grayling's Mercy Hospital and later transferred to Munson Medical Center in Traverse City.

Other passengers in the Belcher vehicle included Ann Hoesli, 17, and Pete Belcher, 16,

both of Grayling, who were transported to Mercy Hospital by Sheriff Dept. ambulance, where Miss Hoesli is still hospitalized in good condition, according to a hospital spokesman. Belcher was now been released from the hospital.

Also seriously injured was Priesskorn, alone in his car, who was also transported to Mercy Hospital, where he was treated before also being transferred to Munson Hospital on Saturday, according to Sheriff deputies.

The occupants of the Belcher vehicle were able to escape before the auto burst into flames, Crawford County Deputies reported. The accident is still under investigation by the Sheriff's Dept. and the fatality brings to seven the number killed on area roads this year.

### Credit Union Earns "Thrift Honor" Award

by Joe Schrader

The Crawford County Federal Credit Union has earned the Thrift Honor Award for the sixth consecutive year, reported Bill Sorenson, Credit Union Manager. "It's rare to get this type of honor in consecutive years like this," commented Sorenson. "It places us in the top 3-4% of all credit unions in the country gaining this type of recognition."

The Credit Union, now in its ninth year of operation, has recently surpassed still another milestone - over \$2,000,000 in assets recorded for its some 2300 members. This represents an increase of over \$1,000,000 over the past 19 months.

The Thrift Honor Award was presented following a week-long examination of Credit Union records by Brian Gately, representing the National Credit Union Association. The award is based on the amount of "thrift promotion" generated by Credit Union members.

The Credit Union employs four people at its main office in Grayling, plus one full-time and a part-time employee at the Mio Branch office.

Sorenson reminds members that local office hours are 9 a.m. to 5 p.m., Monday through Thursday and 9 a.m. to 7 p.m. Friday. In Mio the hours are the same except that the office opens 1 hour later, at 9:30 a.m. The Annual Credit Union meeting is set for Saturday, January 28th at Auman's House of Catering and Sorenson also reported that a number of other promotional activities will be announced in the near future.

### Youth Employment Coordinator Needed

A Crawford County Youth Employment Coordinator is needed. The position will involve planning, implementing and coordinating youth employment programs and employability course work. The coordinator must be able to establish rapport with business industry and youth.

Applicant must qualify under CETA, Title VI employment, and possess a high school diploma. Applications and complete job description is available at the CETA office. Deadline for filing applications is November 30, 1977.

### Breakfast Anyone?

The Grayling Adult Education is having a pancake and sausage breakfast. It will be held at the Grayling Elementary School on Sunday, November 20th from 8:00 a.m. to 11:00 a.m. All you can eat. Children, \$1.25; Adults, \$2.50. Everyone is welcome.

GRAYLING'S BUCK POLE was one of the busiest spots in town at 2:00 p.m., opening day with 15 bucks on the pole. First deer on the pole was brought in by Carol Helsel of Grayling, who copped that prize along with the "first woman's buck" award. Winning awards for being the next nine bucks in were: Tanya Weaver, Ivan Nethers, David Lemmen, Lloyd Crawford, Rose Owen, all of Grayling; and Albert Graf, Ypsilanti; Mike O'Sullivan, Chicago; Tom Rehahn, Sterling Heights and Chas. Stahura, River Rouge. Prizes were awarded at the Hunter's Ball held Tuesday night at the Red Barn. (Joe Schrader Photo)

### Kiwansians Honor Leon Rochette

At their annual Flowers to the Living Program on Tuesday night, November 8, the Grayling Kiwanis Club honored Leon Rochette, Bob Boyce, Chairman of the Flowers to the Living Committee, presented Leon with a plaque. Jay Doty, last year's award winner, presented him with a rose and Mrs. Rochette with a corsage.

Art Clough was the speaker and gave a very interesting account of the history of the Flowers to the Living program, mentioning some past recipients, and naming those who are still in the club.

Leon was born in 1904 in Lowell, Mass. He moved to Michigan in 1941 and settled in Detroit. In 1955, he moved to Grayling and bought the Shell gas station from Forest Vincent. Since then he added a party store, and in 1973 built a larger building and moved the party store across the street. He sold the gas station to Mr. Weaver from Frederic. Leon is now retired and his sons, Leo and Dennis, run the party store. Leon was one of the original members of the Grayling Housing Commission and is still on the Commission. He joined the Chamber of Commerce and the Kiwanis Club shortly after coming to Grayling, and is a past president of both organizations. Leon and Laurette have six children. They were all there to help Dad celebrate. Leo and wife, Janet; Dennis and wife, Carlotta; Rita DeVitto and husband, and Irene Sinnott and husband, both from Garden City; Alice Yoder and husband from Grayling; and Pauline Farmer from Livonia.

### Commissioners Name Fowler Airport Manager

by Joe Schrader

At a County Board of Commissioners meeting held shortly after the October 11th finalization of the acquisition of the Grayling Airport by Crawford County, Grayling Township and the City of Grayling, Bernie Fowler was named Airport Manager. The announcement was made recently by Ed Lowrie, Chairman of the Board of Commission Airport Committee.

Fowler will oversee the overall airport operation along with John Nestell, Asst. Manager and George Bollender, who will head up maintenance activities. Nestell will be responsible for day to day airport activity, reporting to Fowler, while Bollender will take care of all service functions. He is a graduate of Kirtland Community College's Aviation School. "We're operating on an in-

term type of management system now," said Lowrie. "It's a bit cumbersome, we realize, but shortly we'll be undertaking a comprehensive review that will eventually result in the streamlining of our airport function."

### Quickie Deer Hunt

Charles Baier of Hollywood, Fla. bagged his 5 point buck on November 10th at 9:00 p.m. The deer ran into his car as he was traveling on M-72, 5 miles east of Kalkaska. The animal broke its leg and had to be destroyed. The car suffered minor damage and Baier took his trophy home early this year.

tion and overall improvement in the efficiency of the management of the facility."

Airport services are now available on a daily to dusk basis, seven days per week and overnight accommodations or service can be obtained by calling an "on call" employee after regular airport hours. Runway lights are lit from dusk to dawn. No service charge is made to visiting aircraft unless fuel is needed, maintenance repairs are required, an overnight tie-down is necessary or the hangar is used overnight. On the average, at this time of the year, there are approximately 250 aircraft take-offs and/or arrivals during the course of a month. [See Airport on page 2]

### Winterization Program

The first mild taste of winter has hit Crawford County and its residents. The installation of storm windows, insulation, weather stripping doors, and caulking windows can help make your home warmer this winter.

Crawford County residents may obtain weatherization assistance from the County Winterization Program. Direct grants are available to all eligible County residents. Determination of a homeowner's eligibility may be made at the Department of Social Services, 303 James Street, Grayling. Further information regarding the program may be obtained by calling 348-9223.

### Col Rutkowski, LTC Sloan Receive Guard Citations

Col Ed Rutkowski, above, Commander of Camp Grayling was honored at ceremonies conducted at Camp Grayling on November 6th. BG John Taylor, Assistant Adjutant General for the Army Michigan National Guard, presented the Nations Meritorious Service Medal to Col Rutkowski for the instrumental role he played in the ongoing development of the Camp. BG Taylor stated that "Col Rutkowski's tireless efforts and effective leadership has guided Camp Grayling toward its fulfillment as the finest training site in the Nation." BG Taylor also presented Col Rutkowski a 30 year pin in recognition of his service to the Nation as a Federal Civil Service employee.

At the same ceremonies, LTC W. Duane Sloan, above, Commander of the Camp Grayling Support Command, was presented the Army Commendation Medal in recognition of his efforts in the growth of the units assigned to operate and maintain the Camp. BG Taylor said LTC Sloan's efforts "are unparalleled in the recent history of the Michigan Army National Guard and serve as a hallmark by which other units can gauge their effectiveness."

Wives of the recipients, Shirley Rutkowski and Jeannie Sloan were present for the honors as was the entire Support Command. (Mich. P.O. Photos)

## 1977 Firearm Deer Season Could Top 1975 Record

LANSING—The 1977 firearm deer season could lure 700,000 hunters afield, or a few more than last fall. Those hunters could top the 1975 record harvest of 96,000 bucks.

That's the appraisal of the traditional November 15 to 30 firearm deer season from Department of Natural Resources deer specialist, David A. Arnold. But for a new buck harvest, Arnold stresses the need for near ideal hunting conditions.

"One thing we certainly would not need," he says, "is a warm, foggy, rainy opener."

Last year, 685,000 licensed deer hunters took about 105,000

whitetails - including 88,000 bucks. The record number of hunters, 743,000 in 1975, contributed to the record number of deer taken that year.

Arnold says there are lots of Lower Peninsula deer. Early season archers are confirming that estimate.

"In the Upper Peninsula, the south central area has the heaviest deer population. In the Lower Peninsula, most deer will be found in a diagonal band stretching from Lake and New-Argo counties northeast to Oscoda and Alpena counties," Arnold says.

One major rule change this autumn allows the successful archer, armed with a firearm license for the gun season, to take a second deer. It must be a buck unless the sportsman has a Hunter's Choice permit.

The other key new rule this year concerns hunter safety. Firearm hunters must wear the more visible hunter orange colored vest, or jacket, or cap. Any person having a Hunter's Choice permit for southern Lower Michigan should remember that the permit is valid only from November 15 to 21.

All hunters getting a deer this fall can secure a Successful Deer Hunter patch by stopping at a DNR roadside check station. Those stations will operate through the first weekend of the season and will be found at roadside rest areas south of Reed City, Shepherd, White Cloud and south of the I-75 Clio and Montrose exit. Many DNR field offices will provide the same service.

### What's Cooking In Michigan

by Carl Olson

I've said before that as a hunter, I make a much better camp cook. But I still appreciate a good venison roast as much as the next person.

I've been somewhat lucky to have a few hunter friends who have small freezers, and I love it when their trophies are too big for the locker. Understandably, they usually try to get rid of roasts and hamburger first, saving the steaks for themselves.

If you get a roast, try beer-baked venison, but don't invite the hunter who gave you the roast. You may never get another one.

Place a three- to four-pound roast in a Dutch oven, salt and pepper well. Then slice one large onion into the pot and add one clove of garlic, cut in half. Pour a 12-ounce can of beer over everything.

Bake covered for about four hours or until tender in a 325 degree oven. The wait is worth it.

It's great with noodles or mashed potatoes, but make sure you skim the fat from the cooking liquid if you plan to make gravy.

Should you go hunting this year, the Michigan Department of Agriculture would like to remind you that much of our state's hunting land is owned by farmers.

If you want to hunt on private property, be sure to get written permission from the landowner. Under Michigan's new Recreational Trespass act, it's the law. Besides, when you approach the farmer for permission, he might even tell you the location of some choice areas to hunt.

### Airport

[Continued from page 1]

Fowler, Grayling Township Supervisor, has been active and involved in airport affairs for the past 10 years, and will head up a newly-appointed Interim Advisory Committee consisting of Robert Boyce, Howard Taylor, Ron Fraser and Al Lurance. The new committee will review airport operations and coordinate with the Commission group made up of Chairman Lowrie, Mary Harland and Matt Britwa.

According to Lowrie, the airport, a joint use facility for civil and military traffic, will soon become new headquarters for the Crawford County Public Transit System (Dial-A-Ride) who will move into an area now being prepared for its use, probably by the end of the year.

## From Our Corner....

In a sense, this past Monday morning could well be one of the most blue Mondays Grayling and the county have experienced in many years - we make reference to the announcement by Bear Archery their decision to move the plant to Florida.

One cannot take lightly the loss of employment for some 250-300 persons. With the unemployment problems facing us today, plus other companies' besides Bear moving South due to the Michigan business climate - it is hard to imagine what type of business Grayling will be able to encourage to move here that will replace the loss of Bear.

Bear Archery had its' birth here 30 years ago... like all new-borns, there were trying times in its infancy... but through the perseverance of Fred Bear, founder of the company, the plant survived and grew to be well-known.

Along with the Archery's growth... Grayling and the surrounding area prospered.

Grayling's losing Bear is like Ford leaving Detroit, G.M. leaving Flint, Olds moving out of Lansing... yes, we will survive - only it would be much easier with Bear here.

Even though in our own mind we felt it was inevitable the plant would move, there still was a glimmer of hope we would be wrong in our thoughts.

Monday brought the decision to the surface... to us it was a blue Monday.

Old granddad is still battling-a-thousand, not only being unable to spell, we don't even know what day it is.

We started out mis-spelling T.J.'s given name, Tonya, when we announced her arrival... then proceeded to do the same for her sister, Stefany (that's without the ph), when we bragged about her in our corner.

Our last boo-boo came last week when we proudly announced the arrival of Amber Eir on November 5th. The problem is, she was a day old by the 5th... all we can say to Dane and Cyd, guess we just didn't want to show any partiality... or maybe that R and R in Lansing was too much for the ole fella. Speaking of the 5th, possibly we better take it...

## The Bible Speaks

From Calvary Baptist Church

### America, Help Israel!

Because of growing warfare across Jewish borders, and seeming shifts in American middle east foreign policy, we need to pray for Israel, and plead with our government officials to defend her. We can now clearly see the steps underway which will eventually lead to the great future war of Ezekiel 38 and 39 between Russia and Israel. Right now most of the wealth of the west is controlled by Jews with some degree of ethnic ties to their homeland. The system controlling most of the other wealth and power is atheistic communism, with Russia in the foreground.

While we must feel concern for all the Arab refugees, we dare not deny Israel's God given right to her homeland. Christians could plead ignorance on this subject prior to 1948. After the rebirth of the nation of Israel, only a fool could deny the hundreds of Old Testament prophecies of blessing upon Israel which are yet to be fulfilled. In 30 years we have watched an infant nation become an international giant. Israel now has an airforce greater than Britain and France combined. She has atomic weapons, brilliant military leaders and national courage beyond compare.

After nearly 2000 years of being enslaved, whipped, stoned, robbed, banned, tortured, raped, burned and buried alive, there is but one word which can ever explain their current existence and bright home for the future - GOD.

Bible believing Christians owe much to the Jews. Our savior, the Lord Jesus Christ was a Jew. One-hundred percent of our Bible was written by Jews. The apostles who founded the first churches were Jews. The first martyrs to shed their blood for their faith in Jesus Christ were Jews. A Bible Christian can have only love, concern and compassion for the Jews, both individually and collectively.

God's will for them is clear. "And I will plant them upon the land and they shall no more be pulled up out of the land which I

## Firewood Management Same as for Timber

by Willard Bosserman  
County Extension Director  
Managing a woodlot to get the most and best firewood is the same as managing for timber production. This came out at a meeting on firewood production at Kirtland College, Kirtland College, Tuesday, November 15.

Bob Ojala, County Extension Director for Oscoda County, said it was difficult to change a jackpine stand to a hardwood stand because the soil conditions are not normally suited for hardwoods. In managing the woodlot, keep an eye out for producing higher value timber which can be sold for lumber. The woodlot will be a long-term investment, and over-tapped trees can be cut out for firewood and the straight head-trees, saved for timber.

Ojala advised property owners to have a forester check their trees and mark the ones that should be cut out before you have the other come in and cut. The forester is trained to select the trees to remain and the ones to come out.

Congratulations are in order for SRA and Mrs. David (Sung) Hui. Both ladies, presently stationed in Korea, on the birth of their daughter, Melissa Ann. The little lady was born November 12th and weighed 6 lbs. 7 ozs. The paternal Grandparents are Carl and Mrs. E. A. Rutkowski of Grayling. Mrs. Ann Brown of Grayling is the Great Grandmother.

Mrs. Linda Franklin (nee Linda Rutkowski) and son Mark, of Long Island, N.Y., are home this week visiting her parents, Carl and Mrs. E. A. Rutkowski. Gustav Arancibia and Alvera Duran of Santiago, Chile, who are attending college in Iowa, are home for a week or so. They are spending the Christmas holidays with the Charles Fick family. They enjoyed themselves so much they will return to spend the Christmas holidays. Gustav is the brother of the Ficks, former exchange student, Gonzalo Arancibia.

Mr. and Mrs. Charles Fick and Mr. and Mrs. Jim Guadry spent a week in London, England, and they will be returning home with a group from the Holy Quaker Meeting and a confirmation. They stayed in London all of the time except for a few hours outside of the city.

By taking out part of the trees the remaining trees will grow faster. He suggested that you might want to convert a jackpine stand to red or white pine. You can do this by clear cutting the jackpine. If there is already some red and white pine coming in probably no new planting will be necessary. However, if there are no red or white pine growing, they can be set out as seedlings or transplants. The Soil Conservation District sells seedlings every spring. The Department of Natural Resources also has seedlings for sale.

The prices will produce more firewood when burned, but if you don't have the hardwoods on your woodlot you can get by with pines. Instead of banking the fire for a 12 hour period, bank it for shorter times with the fire burning a little warmer at all times. This will help prevent creosote build-up in the chimney. More creosote is condensed when the chimney is cold. Clean the chimney at least once a year. Spring and fall are the worst time for creosote build-up.

## Sweet Adelines Activities

By the time this article is printed our show will be past history and our thanks go out to all the people who helped us put it together. Since at the time this is written we are still busy with dress rehearsals and final lighting and getting sets finished. Anything further said will be best written next week. I hope all of you readers were able to attend one of the performances.

As I try to overcome my "Jet Lag", and I was surprised to find it does exist, I will start this week to tell you about our wonderful trip and experiences we had attending the Sweet Adelines International Convention in London, England. We crammed in as much sight-seeing as we could in a weeks time while also attending competition in beautiful Royal Albert Hall.

Having only been in a small plane before you can imagine the thrill of flying in a big 747.

We flew from Metro to O'Hare via American to join 416 Sweet Adelines and some families to fly to London on a World Airline 747. We cruised at 617 miles per hour at 37,000 feet, taking 6 hours and 15 minutes to land at Gatwick Airport, some 23 miles from London. There we were met by a Coach (bus) and a guide who took us on a short tour while dropping us all at our different hotels around London. This was when we realized we really were in a foreign country (driving on the left side of the road was our first clue) and actually getting a first glimpse of places we had before now only read about or seen in history books and magazines. We passed by such places as Trafalgar Square with 3 fountains, Big Ben, Westminster Abbey, House of Parliament, Piccadilly Circus, London Bridge, Clonpatras Needle, River Thames, Downing Street, Mayfair, Harrods, to name a few. We were housed in the farthest from Headquarters Tara Hotel, naturally, at the Cunard (Coo-Nad) International Hotel. This hotel is owned by Cunard Shipping Lines and you hear more different languages from the guests than English.

It wasn't long before we realized that English food is terrible: bland with little spices. No water is served unless you request it, a slice of lemon is always served in soft drinks. However, their "Sage" Trolley is laden with the most luscious selections such as trifle, cream cakes, chocolate mousse, etc. so at least the meals ended nicely.

Since my diary will continue in the following weeks, and the final competition wasn't until the end of the week, I will tell you now the winners - and they are truly champions. The winning quartet is the "Shondells" from Kansas. The members belong to different chapters in Region #7. The winning Chorus was "Gem City" from East Central Region #4 and Dayton, Ohio. They put 95 girls on stage and were directed by Jean Pyles Barford, who also happens to coach the Shondells. More about these winning groups at a later writing.

London is a beautiful city - and now known as the city of dead chimneys. A few years ago they passed a law where no one can burn a fuel that ejects smoke - and London therefore is no longer the city of smog. They are sand blasting buildings white and the difference to those yet black is unbelievable. They are working for 100% oxygen content in waterways and are now 98.6. More of my diary next week.

## YOUR WEEK AHEAD By DAMIS

Forecast Period  
Nov. 20 - Nov. 26

**ARIES**  
Mar. 21-Apr. 19

Partnership finances are in for a change. Mid-week brings heightened emotions. Keep things under control.

**TAURUS**  
Apr. 20-May 20

A difference of opinion is apt to distort thinking. Check your own habits—are you becoming too pessimistic?

**GEMINI**  
May 21-June 20

Seclusion brings answers to your personal problem. Resist pressures which could involve you in the problems of others.

**MOONCHILD**  
June 21-July 22

Group affairs bring you into contact with interesting people. Take care that your obligations are handled capably.

**LEO**  
July 23-Aug. 22

A crisis on the job could have a profound effect on family life. Proceed cautiously and keep things in balance.

**VIRGO**  
Aug. 23-Sept. 22

Keep emotional reactions under control. Emphasis is on intelligent handling of volatile situation.

**LIBRA**

You'll probably find the elusive item you've been on the lookout for at a neighborhood garage sale.

**SCORPIO**  
Oct. 23-Nov. 21

A split with mate or partner can be avoided but concessions have to be made. Give a little.

**SAGITTARIUS**  
Nov. 22-Dec. 21

An emotional flare up casts a shadow on work relationships. Look for new angles. Watch your diet.

**CAPRICORN**  
Dec. 22-Jan. 19

A lover's quarrel brings sorrow, but know that there will be a happy reconciliation.

**AQUARIUS**  
Jan. 20-Feb. 18

Home and family life may be a bit unsettled. Slow your pace so you can give attention where it is needed.

**PISCES**  
Feb. 19-Mar. 20

Obstacles and delays appear to make your travels a bit difficult, but the end of the week brings improvement.

**"Dan" is back home in Dryden . . .****Avalanche ad  
reunites man and dog**

Dryden, Michigan resident Terry O'Dell has a success story to tell about Crawford County Avalanche advertising . . . and it's a story with a happy ending.

On the weekend of October 29-30, O'Dell and his wife Mari were tramping over family property just south of Jones Lake, having a ball while their prize beagle, "Dan" chased rabbits in all directions.

When it came time to leave on Sunday afternoon, "Dan" was nowhere to be found. The young couple had no choice but to leave without their long-time pet.

**USE AN AVALANCHE AD**

Tuesday, Nov. 1, the O'Dells placed a two column display ad (by telephone) in the Avalanche, describing Dan and the area in which he was lost.

Meanwhile, friends Chris and Bill Scott of Big Bear Lake scoured the Jones Lake area and heard several reported sightings of the dog . . . but were unable to pick him up.

Thursday, Terry and Mari received a phone call from Layne's Auto Garage in Frederic.

Mr. Layne said a friend had found a male beagle wandering in the Jones Lake area and assumed,

after reading the Avalanche ad, the dog was "Dan".

**MARKINGS, COLLAR MATCH**

Mari's description of Dan's markings and collar matched the dog in Frederic . . . and the O'Dells headed north on Thursday afternoon to be reunited with their pet.

All's well in the O'Dell household . . . and there's a warm feeling for the Avalanche as well as helpful friends in the north.

**"Second Chance" Scholarship Contest Announced**

William C. Davis, president of the National Historical Society, has announced the availability of a \$1,000 "second chance" scholarship. The purpose of the scholarship is to provide financial aid to a person who has been out of school for at least five years and now wishes to continue his or her education. The National Historical Society will announce the recipient of the scholarship by April 30, 1978.

Applicants must meet the following requirements: 1) Must not have attended school full time during the past 5 years; 2) Must be recommended for participation in the scholarship contest by a member of the National Historical Society; 3) Must be able to show acceptance at an accredited college or university before the scholarship is awarded; 4) Must not now hold a bachelor's degree. The scholarship is available to anyone meeting those requirements, regardless of college major. Application forms are available from the National Historical Society and must be completed and sent in, along with high school transcripts, by December 31, 1977.

Applicants must then prepare and submit before March 31, 1978, a 6,000 - 6,500 word essay on the topic "The Causes of the

Civil War." A bibliography and instructions to be used for the essay are available from the National Historical Society. Applicants should send, with the completed essay, a statement of 2 pages or less of his or her purpose in returning to school. The statement should also include the school the applicant plans to attend.

Judging will be done by the members of the National Historical Society Board of Advisors. The winner's scholarship check will be sent directly to the winner's college or university to be applied to his or her needs.

To obtain more information on the scholarship contest or membership in the National Historical Society, write to: Karen Kennedy, Administrative Assistant, National Historical Society, P.O. Box 1831, Harrisburg, PA 17105 or phone 717-234-5091 ext. 133.

**Dry Kiln Needed in Area**

by Willard Bosserman  
County Extension Director

A dry kiln is needed in northeast Michigan to raise the value of wood products being produced here. This was one of the needs expressed by a group of wood product producers and some agency people at a meeting in Mio Tuesday, November 1. A dry kiln would also attract other wood using industry to the area to utilize the kiln dried dimension lumber. Much of the dimension lumber now has to go to Grand Rapids to be dried.

Wood products people from Clare to Cheboygan met to discuss strengthening the wood products industry.

Frank Tenbush and Tom Miller, representing Stephan Wood Products, Grayling, were there along with saw mill operators and pallet manufacturers from the northeast Michigan area.

The meeting was called by Roger Rehberg, Upper Great Lakes Commission, Gaylord, and Dean Rhoads, District Extension Leader, Resource Development, Hank Huber, Michigan State University, Extension, wood products specialist was also involved in organizing the meeting.

The producers felt that they should form an association to represent the wood products industry. The Association could keep them informed about market outlets, and keep buyers posted on products available.

The group also felt a conference of forestry people, including the land owners, cutters and the product manufacturers would be beneficial.

One thing that is lacking in the industry is a good inventory of resources available. There is not a good up to date inventory of trees, species and sizes, but what is more important is the available is the wood that is now growing.

They expressed a need for lumber graders in the northeast area. They have to import graders from western Michigan now.

The meeting ended on a positive note that something could be done to strengthen the wood industry.

**From the Prosecutor's Office**  
How To Use Your Prosecutor's Office  
by Kent and Davis

If you have knowledge of a crime that has been committed in Crawford County, or if you have a complaint against another citizen in Crawford County, you should contact the Grayling City Police, if you reside in the City limits, or the Crawford County Sheriff's Department if you live outside of Grayling. An officer at one of these law enforcement agencies will listen to your complaint and will initiate an investigation to help you.

The Sheriff's Department, City Police, and Prosecutors Office are responsible to the County for bringing legal action against violators of CRIMINAL LAWS. Criminal laws are made to protect the community in general against the socially harmful acts of individuals. However, when one person has a grievance against another, it may be a mutual disagreement for which no criminal law has been made. This is a CIVIL MATTER and it is up to the individuals involved to settle their own disputes, even if they have to hire lawyers to do so.

Suppose your neighbor says that your garage is partly on his property. There is no law against him saying that to you. He has not committed a crime. You may wish to prove that his statement is incorrect, and to do so you may wish to hire an attorney or surveying crew. This is a civil matter and not a criminal matter.

Suppose while discussing the property line, your neighbor becomes enraged and punches you in the jaw. Now you still have a civil matter (the cost of replacing your broken work) for example, plus a possible criminal matter - the punishment of your neighbor for committing an act which is socially unacceptable, and which the State has written a law to prohibit, Assault and Battery. If you ask your neighbor to pay your dental bill and he refuses, you may go to Small Claims Court - if the cost is under \$300.00. The matter will be settled by the Court and neither party needs a lawyer. If the cost is over \$300.00, you may have to retain a lawyer to file a civil lawsuit.

In addition, you may wish to make a formal complaint against your neighbor for breaking the State Law, which makes it a crime to punch someone in the mouth.

Before the Prosecutor can determine whether or not he should be involved in the matter, he will have to be convinced that the crime was actually committed. To do this, he will have to have more evidence than just one person's story. Inasmuch as the Prosecutor does not have an investigative staff, the evidence will be gathered by a law enforcement officer.

It is almost always a good idea to talk to the City Police or Sheriff's Department in any matter where you are a witness to, or a victim of a crime, before going to see the Prosecutor. The police or sheriff's deputy will know the State criminal law, and can help you determine the strength of your evidence and if a law has been broken. The law enforcement officer may then prepare a written report of your complaint, if a probable criminal act took place, and submit it to the Prosecutor. Police officers are sworn to an oath of office, this oath requires them to be objective investigators of criminal law violations. The Prosecutor relies upon their judgment.

Incidentally, if your complaint is against a member of your immediate family, the Prosecutor may choose not to intervene unless there is clear evidence that serious bodily harm might result, if he did not intervene. This policy is a result of experience, which has shown that members of a family seldom really want to see a family member go to jail.

The community in which you live also has its own laws, called Ordinances or City Ordinances. These laws are made to keep the peace, restrain, punish, traffic rules, public health, etc. Complaints concerning these matters should also be referred to law enforcement agencies, who if they cannot help you, will direct you to the proper township authority.

The Prosecutors Office may be able to help you if you are receiving some type of public assistance or welfare. Depending on the circumstances a Prosecutor working in this area may initiate a paternity suit, a suit for non-support, or collect support money from another state. For assistance in these matters, first contact the Department of Social Services in Grayling.

The County Prosecutor is in his office to protect you, your family and the community, by getting the law enforced against individuals. He operates on a "no fee" basis. If by reviewing your case, in light of the foregoing comments, you realize that someone else may be better able to help you with a particular matter, your time will be saved and your Prosecutor's time will be concentrated on the serious criminal matters which affect us all.

However, if you believe your Prosecutor can best help you, please do not hesitate to call him. The Prosecutor's Office is the proper place for serving the members of this community.

### Midgley In Person

## Famed Creator of The "Chuckelogue" to Appear Here

On Thursday evening, November 17, the Grayling Community School Program will present their second exciting true life adventure film of the season in Grayling's Joseph Strife Auditorium. Appearing in person in this program will be Stan Midgley, famed "Mark Twain of the Camera" and creator of the "Chuckelogue".

The subject of Thursday evening's "Chuckelogue" will be the state of Colorado, and to show you the "Centennial State" in all four seasons of the year, Stan Midgley will use his well mileage pick up "Gus", a bicycle and his own two feet. From towering Rocky Mountains, Pikes Peak and Grand Mesa to the deepest canyons like Royal Gorge, Black Canyon and the Great Sand Dunes, this is Colorado at its scenic best.

While in Colorado we'll visit ghost towns and the fascinating cliff dwellings of Mesa Verde which were built by a now vanished people. The modern resorts of Aspen, Vail, Breckenridge and Steamboat Springs abound with year-round fun. A visit to the bustling city of Denver illustrates the typically western blend of old and new in architecture. Denver's Larimer Square exemplifies this city's ties with its pioneer past.

If you're interested in new sports, with Stan Midgley you'll investigate hang gliding and river tubing down Colorado streams. With Stan you will enjoy springtime in Boulder and Colorado Springs where flowers set hillsides ablaze with color. You'll take the narrow gauge train ride to Silverton and experience the brilliance of golden autumn days in the Rockies. And you'll laugh with your sides sore at the antics and misadventures of Stan Midgley.

Doors at the Grayling High School will open at seven fifteen and the "Chuckelogue" will begin at 8:00. Pre-Midgley entertainment will be provided by the Grayling Chapter of Barbershop Singers. Tickets will be available at the door.

### Sports Featured In 1978 Saga

The development of the sports section of the 1978 yearbook has been assigned to a member of the Junior Class at Grayling High School, Mickey Roach, son of Mr. and Mrs. Willard Roach of Frederic. Mickey will supervise the coverage of conference sports activities. The Saga will present the story of both boys and girls conference team sports along with the coverage of regular physical education classes at G.H.S.

The Saga staff salutes the following for their support through the purchase of advertising in the Saga: Dr. Ralph Hoffman, Bucchin's Pizzeria, Alpine Carpet, Animal Land Camp Ground, Grayling Big Boy, Cadillac Overall, First Savings and Loan of Saginaw, Golden Touch Beauty Salon, Charlie Browns Donuts and Miller Hardware.

## County Revenue Sharing

The following report of Expenditures of Antirecession Fiscal Assistance Funds and Revenues Sharing Funds is being published as required by Title II of the Public Works Employment Act of 1976, as amended.

The amount of Crawford County's payment has been determined by a statutory formula which related the unemployment rate assigned to the County to its fiscal general revenue sharing allocation for the most recently completed entitlement period (January 1, 1977 through September 30, 1977).

State and local governments must use Antirecession payments to maintain basic services which customarily have been provided during either of the governments' last two fiscal years to persons in the area under their jurisdiction.

Listed below are the categories of expenditure and the actual use of Antirecession Funds in those categories. Clarification of the expenditure categories are listed also.

Function or purpose of expenditure (See page 3)	Section A		Section B		Section C		Section D	
	Proposed (budgeted) use of Revenue Sharing funds		Actual use of Revenue Sharing funds		Actual use of Antirecession Fiscal Assistance Funds (After July 1, 1977 Antirecession Fiscal Assistance Funds may not be appropriated for capital expenditures)		Total expenditure (Antirecession Fiscal Assistance Funds plus Revenue Sharing Funds)	
	Current	Capital	Current	Capital	Current	Capital	Current	Capital
1. Financial and general administration					19,978.00		19,978.00	
2. General public buildings								
3. Education								
4. Libraries								
5. Welfare								
6. Hospitals								
7. Health

15. Parks and recreation								
16. Housing and urban renewal								
17. Interest on general debt								
18. Utility system - Sewer								
19. Natural resources								
20. Airborne - Spray								

**Clarifications of some of the expenditure functions**

**Financial and general administration** - Expenditures for financial administration and executive, legislative, and judicial operations of your government.

**General public buildings** - Construction, maintenance, and operation of public buildings, including any other buildings not relating to particular purposes.

**Education** - Any expenditures for education purposes, including expenditures from State and Federal grants.

**Welfare** - Expenditures for public assistance programs including administration costs, vendor payments, and direct payments to indigents. Include medical, hospital, and nursing home care provided to the needy. Also include amounts paid from State and Federal grants for welfare purposes.

**Hospitals** - Expenditure for construction and operation of hospitals, including payments to hospitals operated privately. Exclude nursing homes.

**Health** - All public health activities except provision of hospital care. Include environmental health activities and all services performed directly by the public health department. Exclude here and elsewhere any payments under public welfare programs.

**Roads** - Amounts for construction and maintenance of streets, sidewalks, bridges, and to highways. Include street lighting, snow removal, and highway engineering, but exclude street cleaning expenditures. Include any payments to the State or other local governments for highway purposes.

**Police** - Amounts for law enforcement and related activities of your government, including salaries and medical examiners, and special police forces with general arrest powers. Include vehicular inspection and traffic control and safety activities, but exclude highway engineering and planning. Exclude any contributions to a local police pension fund.

**Fire** - All costs incurred for fire fighting and fire prevention, including contributions to volunteer fire units. Exclude any contribution to a local fire pension fund.

**Sewerage** - Expenditures for sewers and sewage disposal facilities, including intergovernmental payments for such services. For combined water supply and sewage disposal systems, include segregable expenditures relating to sewage disposal.

**Other sanitation** - Amounts for facilities and services incident to keeping streets, alleys, and sidewalks clean, and collection and disposal of garbage, ashes, refuse, and other waste. Amounts for snow and ice removal should be reported at "roads."

**Parks and recreation** - Expenditures for playgrounds, golf courses, swimming pools, museums, art museums, community music, drama, and celebrations.

**Housing** - Expenditures for urban renewal, slum clearance, housing projects, and similar activities.

**Interest on general debt** - Amounts of interest paid on all debt except utility system debt.

**Utility systems** - Gross expenditure for water, gas, electric, and transit systems owned and operated by your government. Include interest payments.

**Natural resources** - Activities to conserve, promote, and develop natural resources of soil, water, forests, minerals, wildlife, etc.

**All other** - Expenditures for functions not listed. **Do not include:** payments for debt retirement; purchase of securities; transfers between funds or agencies of your government, or benefits and payments from district employee pension funds.

**Current expenditures** - Salaries and wages, purchase of utilities and supplies, and all other expenditures exclusive of capital outlay and debt redemption.

**Capital expenditures** - Outlays for construction and purchase of land, equipment, and existing structures.

Anyone having questions on this report may contact the Crawford County Treasurer's office during normal business hours. A copy of this report is on file and is available to the public.

I certify that the data contained in this report are accurate to the best of my knowledge and belief.

## Firewood Becoming Scarce On State Land This Year

LANSING—The wood hunting season has been open for a long time. Hopefully most deer hunters heading for their favorite northern hunting spots have laid in a good supply of wood a long time ago.

The best wood is dry wood obtained from tree tops left after logging, advises Harold W. Kollmeyer of the Department of Natural Resources Forest Management Division.

Dead and downed trees provide a good source of fuel. If the hunter owns the land, his search for wood should provide an excellent opportunity for him to clean up his forest land. For most persons who do not own land, the best source of fuel-wood is the local firewood supplier. A check of the classified ads in local newspapers or shopping guides will provide the phone number of several suppliers in the area.

The great demand for firewood permits and new logging methods has exhausted the supply of easily available fuel-wood on much of the DNR and U.S. Forest Service land in the northern part of the state. The cutting of trees and wood on public and private land without written permission is a crime which will be prosecuted by local law officials. Remember

that trees located along roads are the property of adjoining landowners. Mr. Kollmeyer cautions.

Southern Michigan residents should be aware that there is very little public land in their part of the state. The small amount of firewood available is sold on a first-come-first-served basis and the supply is normally gone before the start of the wood burning season.

Informed sportsmen know that it is illegal to dig plants or cut Christmas trees on public land. Written permission is needed to cut Christmas trees on private land. Hunters should plan to purchase their Christmas tree at home or from one of the tree growers retailing trees in northern Michigan. Be sure you have your bill of sale, as you may be stopped and asked to show it. Kollmeyer says.

## Bits O' Talk

Dr. Robert Schwarz attended an orthopedic seminar in Lansing the weekend of November 5. Mr. and Mrs. Tom Merari of 12110 Marquette stopped overnight at the Jerry Hayes home the weekend of November 5. He is in the math department at Northern and was enroute to a computer conference in Detroit.

Mr. and Mrs. Ernie Dawson of Crosswell came a week ago Tuesday to help their son, Ernie Dawson, and Bob Cole, with their Christmas Show at Flowers by Josie. Mrs. Dawson is a retired designer and was a great help as was Mr. Dawson who did a lot of repair work for them while he was here.

Marie Wehrle of Berkley was a guest of Mr. and Mrs. Richard DuBois for the weekend while she was here to demonstrate china painting at Flowers by Josie.

Mr. and Mrs. Richard DuBois spent a week in Ames, Iowa, where they visited her mother, Mrs. P. E. Houck, and Ann's father and wife, Mr. and Mrs. Berny Houck.

Mrs. Susan McCurdy, Mrs. Nancy Davis, and Mrs. Lisa Schaefer of the Golden Touch Beauty Salon and Marcia Gallaguer spent Sunday and Monday at the Renaissance Center in Detroit where they attended the Northern Michigan Beauty Craft Fair Show.

Sgt. Frank Doty and wife, Mrs. Joanne Welsh, 7-year-old Jennifer and 6-year-old Billy, arrived on her parents' home last Thursday night after a 10-day drive from New Jersey. They had back to New York after a tour of duty in Germany. They will remain in Grayling until the end of November, visiting the Welshes.

The Dotys and their relatives, at that time they were in Ft. Polk, La., where Frank will be stationed. Tom and Lynn Welsh, of Crosswell, visited his parents, Mr. and Mrs. Tom Welsh and wife, Mrs. LeRoy Welsh, for the weekend.

Mr. and Mrs. Wayne Hindman, Stephanie and Ryan, spent the weekend in Detroit where they were there 9-year-old Stephanie accompanied her mother to the Opera Workshop where Stephanie is pageant for her grandmother.

## Devil Strike Maneuvers

Ft. Riley, Kan. — Sergeant William R. Weller of Rossmore, is participating with some 4,000 troops from three major installations in Operation "Devil Strike" at Ft. Irwin, Calif., located in the Mojave desert.

These troops became part of a 1st Brigade Task Force which is conducting some of the most realistic live fire maneuvers seen since World War II.

"Devil Strike" offers the task force an opportunity to conduct prolonged maneuvers in the desert, operating day and night, concentrating on live fire battle runs and incorporating live fire close air support.

Sgt. Weller, son of Mr. and Mrs. Ralph L. Weller, Route 4, is regularly assigned as a squad leader with the 1st Infantry Division at Ft. Riley, Kan.

The sergeant entered the Army in September 1969. His wife, Mary, is with him at the fort.

## Veteran's Party A Success

Commander Mead wishes to thank everyone for the turnout at the Veteran's Party.

There were still some vacant tables, but we estimate that about 65 attended. The women again did a splendid job of decorating.

Everyone seemed to enjoy the music of Mike and his wife. We also enjoyed trying to cover the floor with peanut shells but still needed a little more help.

Let your officers know if you would like to have these get-togethers more often. Let's show the woman of our life a night out occasionally.

Thanks again from the officers of Post 106.

There were some beautiful pies and things donated.

## Editor's Mailbox

Nov. 14, 1977

Editor,  
Crawford County Avalanche  
Grayling, Mich.  
To Whom It May Concern:

This fall, while crossing the lower State Street Bridge in the City of Grayling, I noticed a new chain link fence that had been put up adjacent to Berchers Canoe Livery. I thought, "Wow, Berchers Canoe Livery must have gone to considerable expense to erect such a nice fence."

Last week, I read an article in a neighboring newspaper that this fence had been erected by yet another government project (RCKD) at the expense of us, the taxpayers. When is the government going to run out of letters for naming their projects while the taxpayers are running out of money?

According to the article the (RCKD) together with (CETA) employees worked on projects in and around Grayling to prevent soil erosion into the river. Will someone tell me, how does a chain fence starting at the river and extending back about 175 feet, prevent soil erosion into the river?

I live on the AuSable River at Louie's Landing. Heavy rains and melting snow are washing the road into the river there. I presume other property owners can show plenty of erosion anywhere along the river.

I could sure use a new chain link fence on the side of my property adjacent to the canoe landing extending back from the river bank. Can't see where it would help soil erosion into the river, but it would sure help to keep the canoeists off my property.

## OBITUARIES

Services Thursday For  
Walter SanCartier, 55

Walter SanCartier, 55, of Grayling, passed away at his home Monday morning. He was born in Grayling April 28, 1913 and spent his entire life here. He was employed by the City of Grayling and was a member of St. Mary's Catholic Church.

Survivors include his wife, Eleanor; three sons, Gary of Melvindale, Earl of Lambert, Montana and Richard, at home; one daughter, Mary SanCartier of Flint; one brother, Floyd SanCartier of Grayling; two sisters, Mrs. Helen Harwood of Grayling and Mrs. Evon Penny of Toledo, Ohio; also, two grandchildren.

Funeral services will be held at eleven o'clock Thursday morning at St. Mary's Church with Rev. Thomas Rees and Deacon Daniel Bonner officiating. Interment will be in Elmwood Cemetery. Military rites will be under the auspices of American Legion Post 106 and the 1438th Engineers and 107th Maintenance Unit of the Michigan National Guard.

Rosary will be recited at 8 p.m. Wednesday evening at Sorenson Funeral Home.

The pallbearers for the Walter SanCartier funeral will be: J. E. Budd, Tom Dunham, Howard Moggo, Don Sorenson, Bill Cinciala and Sy Wakele.

Services Held For  
Summer Resident

Marjorie Trask Schley, a summer resident of Lake Marquette for many years, died at her home in Indianapolis Saturday, November 12. Mrs. Schley, widow of George B. Schley, a summer resident of Lake Marquette since the 1920s, who preceded her in death in 1965, was born in Jackson, Mich. on February 20, 1898. She was a 1921 graduate of Butler University in Indianapolis and served as manager of retail department services for Swift and Company until 1944, when she married George Schley, senior partner of the law firm of Schley, Trask and Jenkins in Indianapolis.

Extremely interested in life and nature she was a member of the Humane Society of America. She was a member of the English Speaking Union and active in the work of the Episcopal Diocese of Indiana. Mrs. Schley delighted in traveling about the world but counted the Grayling area her favorite of all places. She was an associate member of St. Francis Episcopal Church in Grayling and her support and gifts will long be remembered there.

She is survived by two daughters, Dorothy Trask Allman of Auburn, Indiana and Ruth Trask Morse of Cochise, Arizona as well as some cousins in England.

Services will be held at St. Paul's Episcopal Church in Indianapolis Tuesday morning at 11 a.m. Contributions may be sent to the Indiana Heart Association or a memorial fund at St. Francis, Grayling.

## Revive Placemats

Straw placemats which have become too warped to lie flat on the table can be easily revived. Immerse them in hot detergent or soap suds and scrub thoroughly. Rinse and blot between paper towels and then weigh them down under some heavy objects for a day. The mats should dry as flat and good as new.

## Road Commission Minutes

October 27, 1977

A special meeting held to attend the Vacationland Conference of Road Commissioners and Engineers held in Mt. Pleasant. Commissioner Ervin E. Richter and Engineer Manager John M. Keir attended the meeting.

LeRoy Millikin, Chairman  
Lorna Bernard, Secretary

November 4, 1977

A regular meeting of the Board of Crawford County Road Commissioners held in their office in Grayling. Chairman Millikin presiding. Members present: Commissioners LeRoy Millikin, Ervin E. Richter and Gresson Cason. Engineer Manager John M. Keir and Secretary Lorna Bernard. Absent: none.

The minutes of the last meeting were read. A motion was made by Gresson Cason, supported by Commissioner Richter that the minutes be approved as read. All voted in favor, motion carried.

A letter was received from Thomas Kent, Attorney, requesting the status of "My Own Avenue" in the Addition to Portage Lake Park.

A discussion was held on the conditions of the Local Road Bridges due to new Federal Funding. Letters will be written to various townships requesting financing commitments prior to programming bridges for replacement.

A discussion was held regarding a review of equipment needed for 1978. Further study will be made in conjunction with the 1978 budget.

A motion was made by Comm. Richter, supported by Comm. Cason that the following resolution be adopted:

WHEREAS it is necessary for the Crawford County Road Commissioners to set policies governing the Road Commission activities, the following resolutions shall be effective the 4th day of November 1977:

1. It shall be the responsibility of the Crawford County Road Commissioners to designate the use of new equipment on state or county roads.

2. In the hiring of hourly employees the Manager shall suggest three names to be considered for employment by the Commission. Should the Commission reject all three names, then the manager shall suggest another three names. Should these three names be rejected, the same procedure shall continue until a suitable applicant has been found.

2-A. Any salaried personnel to be hired must be approved by the Commissioners.

2-B. In the hiring of any hourly employee, it shall be the duty of the manager to advise the Commission of his intent prior to such action, and the reasons for it.

2-C. The Commissioners shall control the number of employees employed at the Crawford County Road Commission.

3. It is necessary for a complete set of records be kept on each employee regarding any reprimands or grievances made by the engineer or supervisory personnel. The said reprimands or grievances to be made in writing with the date and time and the original given to the employee and a copy to be put in their personnel file.

4. The policy has also been set in regards to the attendance of meetings by the employees of the Crawford County Road Commission in the following resolutions:

4-A. The clerk shall be allowed to attend the clerks seminars and clerks meetings in regard to her position.

4-B. The Superintendent shall be allowed to attend the Superintendent's seminar and Superintendent's meetings.

4-C. The Manager shall attend any meetings he feels are necessary in the performance of his job.

FURTHERMORE: It is mandatory that any employee traveling to meetings and seminars is expected to attend as many of the sessions as possible.

There being no further business a motion was made and supported to adjourn. All voted in favor, motion carried, meeting adjourned.

LeRoy Millikin, Chairman  
Lorna Bernard, Secretary

**Schools Reduced & Free Lunch Policies**  
 Crawford AuSable School District today announced its policy for Free Meals and Free Milk or Reduced-Price Meals, for children unable to pay the full price of meals and milk served under the National School Lunch, School Breakfast, Special Milk Program, and U.S.D.A. Donated Foods Programs.  
 Local school officials have adopted the following family size and income criteria for determining eligibility:

TOTAL FAMILY SIZE	A. SCALE FOR FREE MEALS AND FREE MILK		B. SCALE FOR REDUCED-PRICE MEALS	
	Income	Income	Income	Income
1	\$ 3,930	\$ 6,120	\$ 6,120	\$ 6,120
2	5,150	8,050	8,050	8,050
3	6,390	9,970	9,970	9,970
4	7,610	11,890	11,890	11,890
5	8,740	13,630	13,630	13,630
6	9,860	15,380	15,380	15,380
7	10,890	16,980	16,980	16,980
8	11,910	18,580	18,580	18,580
9	12,840	20,030	20,030	20,030
10	13,760	21,470	21,470	21,470
11	14,680	22,890	22,890	22,890
12	15,500	24,310	24,310	24,310
Each additional family member	\$ 910	\$ 1,420		

Children from families whose income is at or below the levels shown are eligible for (free meals and milk, or reduced-price meals). In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to mental or physical condition of a child, and disaster or casualty losses are urged to apply.  
 Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.  
 To discourage the possibility of misrepresentation, the application forms contain a statement above the space of signature certifying that all information furnished in the application is true and correct. An additional statement is added to warn that the application is being made in connection with the receipt of Federal funds, that school officials may, for cause, verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable State and criminal statutes.  
 In certain cases, foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals and milk for them, it should contact the school.  
 Children of unemployed parents may qualify for free or reduced price meals and/or free milk if total family income include welfare payments, unemployment compensation and sub-pay benefits fall within the prescribed family income guidelines.  
 In the operation of child feeding programs, no child will be discriminated against because of race, sex, creed, color, or national origin.  
 Under the provisions of the policy the building principal will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he or she may make a request either orally or in writing to: Paul Lerg, 403 Michigan Avenue, Grayling, MI 49738, telephone 348-7641, for a hearing to appeal the decision. The policy contains an outline of the hearing procedure. Each school and the office of the superintendent has a copy of the complete policy which may be reviewed by an interested party.

**Grayling Holiday Inn Personnel Honored by Worldwide Hotel Chain**  
 MEMPHIS, TENN., Oct. 31 — Management personnel of the Holiday Inn — Grayling, Michigan — have been named among the foremost in their field for 1977 during Holiday Inns' annual systemwide competition. Award winners were chosen from the more than 1,700 Holiday Inn properties throughout the world.  
 Receiving an award of merit Executive Housekeeper Madelyn V. Butler has placed among the top 100 housekeepers for 1977. She received the award on the basis of outstanding efficiency, total responsibility and high inspection ratings earned by the housekeeping area of the inn.  
 William H. Fraser, front office manager of the Grayling inn, has also received an award of merit. He now places among Holiday Inns' top 20 front office managers throughout the world. The award was based on high customer satisfaction with services provided by the inn, a low level of employee turn-over and high inspection scores earned by the inn's front office management.  
 The Grayling award winners, along with other winners throughout the hotel chain, were recognized for their achievements during Holiday Inns' 22nd Annual System Conference held in Memphis, Tenn., October 18-21. The event attracted more than 1,400 delegates, company officials and guests from around the world who met to honor the chain's top performers and discuss 1978 marketing and operational plans.  
 Memphis-based Holiday Inns Inc. is licensing company for the world's leading food and lodging system, annually serving more than 106 million persons in its 277,629 guest rooms and 2,500 food service establishments in 51 countries and territories throughout the world.

**BLIZZARD SURVIVAL KIT**  
 A survival kit in a car's trunk could be a lifesaver for motorists trapped on the road by a blizzard this winter. The 16 items displayed by Automobile Club of Michigan employee Phyllis Crowley cost \$60 or less and require only a corner of the trunk for storage. Emergency heat can be obtained from a coffee-can furnace which radiates warmth from a lighted candle inside. Newspapers make great insulation when placed next to the skin under clothing and the carpet strips provide traction under drive wheels. Other survival items displayed are a blanket, shovel, flashlight, jumper cables, tire chains, boots, flares, reflectors, tools, first aid kit, sand, a scraper-brush and food. Motorists should remain with a stranded vehicle and wait for rescue rather than risking lives through exposure or becoming lost in a blizzard while walking for help.

**THE LOCAL CHAPTER of the American Business Women's Association (A.B.W.A.) held its annual Fashion Show last Thursday at Auman's House of Catering.** Over 60 fashions were modeled during the event, proceeds from which go for A.B.W.A. MRS. NELDA BALLARD (right) an Ausagra Acres resident, accepts the Grand Door Prize, a dry flower floral arrangement, from Robert Cole, Flowers By Josie, following their First Annual Christmas Show held this past Sunday. Mrs. Richard DuBois picked the winner from a guest register signed by some 350 show visitors. Thirty corsages were also awarded on a random basis throughout the show, which Cole described as "most successful". Mrs. Ballard has elected to donate the colorful Grand Prize to the Michelson Memorial Church here in Grayling. (Joe Schrader photo)

## M-HS Conference Names Most Valuable Players

Following last year's discontinuance of naming a mythical football team for the Michigan-Huron Shores Conference, the athletic directors and coaches have come up with a Most Valuable Player recognition for the teams in the conference. Number of players from each team, and those named honorable mention is in regard to position the teams finished in the standings.

Five players were named from the first place Charlevoix Raiders including: Tom Jones, Jim Elzinger, Greg Krueger, Barry Totter and Kim Cinamin. From Caydon were John Singleton, Chris Arnold, Stu Love and Kurt Lang. Cheboygan had: Don Lange, Keith Moore

and Louis Rose, Petoskey had: Mark Hoch, Suid Otto, and Spencer Damshradter. St. Ignace had: Chuck Kahlheisen, Dan Wyers and Mark Cryderman.

From Boyne City were: Tom Dressel and Dan Schmittioehl. Rogers City had: Mark Crouke and Jerry Buczkowski. Grayling had: Bill O'Mara and Mark Gelnick named.

Honorable Mention went to: Charlevoix: Jim Alger, Neil Dziedzic and Pat Klooster. Gaylord: Dan Arnold, Gary Galbraith and Chad Impellizri. Petoskey: Scott Johnston, Dennis Hass and Adam Fruge. Cheboygan: Roger Armbrout, St. Ignace: Ed Pope. Grayling: Rocky Tobin and Cliff Wheeler.

## Fred Bear Marketing Institute Announces '78 Schedule

The Fred Bear Sporting Goods Marketing Institute has just announced the dates for its 1978 schools. Two week long sessions will be held at The Fred Bear Museum in Grayling, and are designed to help the retailer increase his fair share of the sporting goods market. Attendance will be limited to 20 Bear Archery Dealers or their employees per class and lectures will be headed by Bear Archery's Top Marketing Management. Speakers will include Bear's Vice President of Marketing, Larry DeMaire; National Sales Manager, Ray Fling; Training Director and Director of The Fred Bear Museum, Frank Scott; National Accounts Manager, Bob Bigler; Bear's Educational Services Director, Bob Rhode and the head of Archery Development Corporation, Dick Lattimer.

Now in its fourth year, The Sporting Goods Marketing Institute will cover topics including: Three Sporting Goods Markets and How to Recognize Them; How to Apply the Mechanics of Your Product to Sales; How to Get People Into Your Sporting Goods Area; What You Should Expect From Your Advertising; How to Take the Mystery Out and Put the Sales In. The Program will help the Retailer realize fully the potential of his archery line in view of the increasing growth of the sport and will also make him more aware of the techniques involved in selling of any sporting goods product.

This year's schools will be held from March 5th through 10th and March 19th through March 24th. The cost for each school will be \$300 per person and will include food, lodging and use of a rental car during the school session. If more than one person from the same dealership attends, the cost will then be \$275 per person.

For further information, write Frank Scott, in care of the Fred Bear Museum, Rural Route One, Grayling, Michigan 49738, or call (517) 348-6011.

## F.O.E. News

December 3rd, ladies remember, we need things for our Bazaar. We are having a Country Store, Fancy Work Booth, Bake Sale, Christmas Booth and White Elephant.

We had the third reading of our by-laws. There was a very nice turnout, come on girls, keep on - it makes a better meeting.
